

Renters Insurance

Many of your customers are renters, but three out of four do not protect their possessions or personal interests with renters insurance. By offering them an affordable and effective renters insurance policy, you can increase your institution's customer loyalty and brand awareness, plus add a new revenue stream.

Scope of program

- All of your customers qualify
- Attractive compensation
- Compliance-driven products and processes
- American Modern is committed to the renters market

Benefits for your customers

- Personal property protection – The policy provides replacement cost settlement for all major perils, with coverage for furniture, clothing, small appliances, household items and more.
- Personal liability protection – This coverage protects the insured if held legally responsible for an accident which causes bodily injury or property damage.
- Additional living expense – If the residence becomes temporarily unlivable due to a covered loss, our policy helps pay for higher than normal costs of meals and place to stay.
