

Pet Health Insurance

Caring for a pet goes beyond routine vet visits

The pet market is huge. Nearly 83 million U.S. households (68 percent) have a pet, with annual spending of nearly \$60 billion. One in three pets requires some form of unexpected medical care each year. This program offers flexible deductible and co-pay choices, coverage options, and a range of annual limits, so that any dog or cat lover can provide more than just basic care for their companion.
